CallMD

The Rules Committee met with representatives from CallMD. After a brief discussion the Committee informed the representatives that the description of the plans as proposed is not consistent with state law.

The Committee recommends sending the following rule to the AG's Office:

360-5-.14 Volunteers – Physician's Assistants

**MINUTES
OCTOBER 4, 2007**

The Committee recommends posting the following rules:

360-6-.03 License Requirement for Acupuncture (regarding references)

360-6-.09 Physicians (deleting the first sentence) in the Acupuncture rules

Rule Chapter 360-11 Paramedics and Cardiac Techs (the Board has not regulated this profession in over four years)

The Committee will continue to review the following rule:

360-33-.01 Nurse Protocol Pursuant to 43-34-26.1
This does not impact 43-34-26.3

It was suggested that the staff ensure that these proposed rules are consistent with the law. Also to add that physicians can not supervise more than four physician extenders.

The Committee accepted as information a letter from Advanced Dermatology Center regarding the Cosmetic Laser Act.

The Committee asked the staff for a status report on all the Rules at the next meeting.

There being no further business to conduct, Dr. Cheeks moved that the October 4, 2007 CSBME meeting be adjourned, Dr. Sumner seconded, and it carried unanimously.
